**Back to School Safety**

As the school year begins, please watch for kids in crosswalks, stop fully when school buses are picking up or dropping off students, and always follow speed limits, especially in school zones. Your attention helps ensure a safe journey for everyone. Let's make this school year a safe one for all!

**Fire Conditions are High**

No burning of weeds or garbage.

Recreational firepits require a spark screen and water readily available when in use.

**Splashpad Update**

New Hours of Operation: 10 A.M.-7 P.M.

The Splash Pad will close for the season on September 22, weather permitting. Please note that an early hard freeze may require us to shut it down before that date.

**Trash Day Reminder**

To keep our sidewalks clear and accessible for everyone, please place your trash cans in the gutter, not on the sidewalk. This helps ensure a safe path for pedestrians, especially those with strollers, wheelchairs, or mobility aids. Thank you for your cooperation!
